Spanish Beginner Lesson: Basic Greetings & Phrases

Key Content:
- This lesson covers foundational Spanish greetings, self-intro and polite expressions with pronunciation tips
- Accent marks and word endings have critical meaning differences in Spanish
- Practical practice with native speakers is recommended to master the phrases

Core Greeting Phrases

Time-based Greetings

- Buenos dias (good morning) ends with **"os"**
- Only morning greeting uses **"Buenos"**
- Stress the accent on the letter **"i"**
- Bolivia dialect uses shortened **"buendi"**

Other Daily Greetings

- Buenas tardes (good afternoon) ends with **"as"**
- Buenas noches (good evening/night) ends with **"as"**
- Hola (hello) has a silent written **"h"**
- Adios (goodbye) requires **forward tongue position**

Leave-taking Phrases

- Hasta luego means **"see you later"**
- **"Hasta"** translates directly to **"until"**
- Hasta manana means **"see you tomorrow"**
- Manana also means **"morning"** in other contexts

Self-intro & Communication

Phrase Category	Spanish Expression	Core Note
Ask name	Como te llamas	Literally "how do you call yourself"
Introduce name	Me llamo / Mi nombre es	Two valid ways to say "my name is"
Ask language	Hablas Espanol	"as" ending indicates second person
Negative statement	No + verb	Prefix "no" before verb for negation

Polite Expressions

Polite Address Rules

- Como estas for **peers and informal scenarios**
- Como esta usted for **formal and respectful use**
- Bien is the standard response for **"fine"**
- Y means **"and"** when used as a single letter

Common Polite Phrases

- Si (yes) has an accent to avoid meaning **"if"**
- Gracias / Muchas gracias for **different thanks levels**
- Perdon works for both **"excuse me"** and **"sorry"**
- Disculpe is used to **get someone's attention**

Hola Amigos, welcome back. On today's lesson of the language tutor, I want to get you started in Spanish with some general greetings that you can use when you're meeting someone or introducing yourself, just getting to know people or saying hello to them. Okay, just bring these phrases in and start using them all you can.

说话人 1 · 00:42

We're just gonna put them right here on the board for you. Let's start with the basics. Good morning, good afternoon, and good evening. Okay, now, good morning. I want to go ahead and tell you is, boy. venos d í as, venos d í as. The s.
